True 25/2/03

The present application is correctly not an application for Re-appropriation but one for an addl grant

The total cost of the uniforms was Rs. 11,641. For this purpose Rs 9000 were provided in the Budget for 1901-02, and another similar sum for 1902-1903, but the Budget provision made in the first of those years appears to have lapsed as the year had ended by the time payment of Rs 9000/- was made to Messrs Moses & Co. This years grant has been utilized for that payment and hence the present appln for an addl grant for Rs 2641-

It is difficult to be always finding chapter & verse for everything we ask the Comptr to do. As a supplemental grant is asked for many of be sanctioned as such? If so it has to pass through Council

Some better arrangement in regard to the supply of clothing seems desirable. There seems to be a grievance. Why should we go to a Madras firm in such cases. Why again should our higher Excise officers be mulcted in heavy disbursements - personal & their means - A separate enquiry may be made. The whole question requires further investigation. C 17-4-03.

Order.

Outstandings of this kind due to a Madras firm are not creditable to the State and I therefore sanction the additional grant

But I must observe that there is nothing to show that the Excise Commissioner has made any attempt whatsoever to find a head from which reappropriation can be made & his duty in the matter should be pointed out to him. I have also read the Secretary's note of 2/4/3 with some surprise. "Chapter & Verse" is precisely what the Comptroller is bound to insist on & I can only hope that the Secretary's attitude does not represent that of Govt generally

An ideal outfit seems unnecessary. An Excise Officer in Mysore on receipt of Rs. 40 to 150 is required to provide himself with clothing at a cost of Rs. 74/- as against an Excise Officer in Madras on receipt of Rs. 250 to 400 whose clothing costs him Rs. 80-12-0. Secretary to the Government of
His Highness the Maharaja of Mysore,
General and Revenue Department.

Sir,

In submitting the accompanying re-appropriation Statement for sanction and transmission to the Comptroller for audit, I have the honor to state that an Expenditure of Rs 11,641 was incurred in providing uniform to the Excise Officials drawing Rs 12 and below, for the year 1901-1902. As there was provision for only Rs 9000/- in that year's Excise budget on account of the above item, Messrs Moses & Co of Madras from whom the supply was obtained, were requested to prepare two bills, one for Rs 9000 for 1901-1902, and the other for the balance

ufe

after the commencement of the following official year. The former bill for Rs 9000/- was accordingly received and sanctioned in Government Proceedings No 461-2 / Ex 6-1900, dated 19th June 1902, to be met from the provision of Rs 9000/- made in the Excise budget for the year 1901-1902. But as the audited bill was received from the Comptroller only on 30th June 1902, it could not be cashed at Madras on the same day, as the payment was, at the instance of the firm, ordered to be made by the Bank of Madras, Madras. It was therefore cashed after the close of the official year and the Comptroller has therefore debited the charge against the current year's budget provision. Consequently no amount exists for uniform clothing in the current year's budget to meet the 2nd bill for Rs 2,641, which has also been sanctioned in Government Proceedings no 286-7 / Ex 16-1900, dated 9th January

1903.

the sum may be ordered to be re
-appropriated from General Savings

Sir,

Secretary to the Government of His
Highness the Maharaja of Mysore,
General and Revenue Departments.

Sir,

With reference to your docket No. 670/Ex. 7. 6-1900, dated 10th ultimo, I have the honor to state that, as Messrs. Moses and Co. of Madras have been engaged by the Madras Government to supply Uniform clothing to the members of the Abkari Department in the Madras Presidency, it was considered expedient that they should be engaged by the Mysore Government also for a time at least, so that after becoming familiar with the patterns prepared by Messrs Moses & Co., who are experts in the business, local men could be conveniently engaged eventually to

to prepare and supply the clothing to Excise Subordinates. Accordingly in the Circular Memo which I have submitted to Government with my letter No. 7269-368, dated 15th May 1902, it has been laid down — "Scaled patterns of the uniform and accoutrements, Etc, have been deposited with Messrs Moses & Co., Mount Road Madras, from whom alone, all Officers must obtain their uniform". To enable the firm to recoup themselves the cost of the dies which they ordered from England on account of the badges, buttons, and stars which are of special pattern and device, and to enable them to quote low prices, and allow for easy payments in 9 instalments, they have the initial contract for a term of three years. At the expiration of the period, it would be convenient to give the contract to local men, supplying the badges and buttons &c to the Contractor, for which proposals will be submitted in due course:

2. In the Madras Presidency, only petty Abkari Officers drawing a salary of Rs. 9 to 15 and peons are provided with the uniform at the cost of Government, while all Officers above the rank of a petty officer, are required to provid

themselves

5. Approved in Govt. Pro. No. 538-47, Ex. Dt. 6-1900, 4th June 1902.

The one does not really seem to know anything to do with the other - A

Now they quoted "low prices" ?

The term has been fixed & we are bound by it - A

themselves with the prescribed uniform at their own cost. Accordingly I submitted similar proposals in my letter No. 7845/405, dated 16th May 1898. These were approved by Government in Proceedings No. 2211-12/Ex.123, dated 6th September 1900. But in the Madras Presidency, the lowest pay of Officers above the rank of a Petty Officer is Rs. 30/-, while in Mysore it is Rs. 15/-. Surely those who draw less than Rs. 40, which is the pay of our last grade Inspectors, find it very hard to pay for the uniform from their own pocket. Therefore I am inclined to think that all Assistant Inspectors whose pay ranges from Rs 15 to 35, should also be provided with the uniform at the cost of Government. If Government be pleased to approve of this suggestion, proposals will be submitted for the same. The budget grant for uniform clothing will have to be raised from Rs 12000 to Rs. 17000.

3. I may here add that messers Moses and Co. have agreed to receive the price of the clothing from Inspectors and Assistant Inspectors by nine instalments, instead of six, as laid down in the circular memo.

I have the honor to be,
Sir,
Your most obedient Servant.

His Letter no. 4298/189, dt. 19th Nov 1903, submitting a comparative statement of the salaries of the Excise Officials and the cost of the uniforms supplied to them both in this state and the Madras Presidency.

Referring to the above has the honour to state that an Excise Officer in Mysore on receipt of Rs 40 to 150 is required to provide himself with clothing at a cost of Rs 74 as against an Excise Officer in Madras on receipt of Rs 250 to 400 whose clothing costs him Rs 80-120. The cost of

clothing supplied to the lower officials on Rs 15 to 35 is also higher in Bangalore than in Madras, where similar officials getting Rs 30 to 70 are supplied with clothing costing Rs 24-4-0. Comparing also the cost of uniforms supplied to the corresponding officers of the Forest and the Police Departments, the cost of uniforms of the Excise Department appears to be susceptible of considerable reduction not only in the case of menials who have their uniforms supplied to them but also in the case of those who have themselves to pay therefor. The Excise Commissioner will be so good as to reconsider the scale of cost and submit revised proposals. It may also be considered by him whether sandals at cheap cost may not be ~~supplied to~~ substituted in the case of ~~in the~~ ~~case of~~ markers and peons.

No. 135 OFFICE OF THE EXCISE COMMISSIONER IN MYSORE.

DATED BANGALORE, 9th September 1905.

From

P. N. Purnaiya Esquire B.A.

Excise Commissioner in Mysore.

To

B. K. Venkataravadiengar Esquire

Secretary to the Government of His Highness the Maharaja of Mysore,

General and Revenue Departments.

Sir,

In acknowledging the receipt of your

sl 33 docket No. 51 / Fl. T. No. 6-00 dated 6th July last

observing that the cost of uniforms sup-

plied to the Excise Inspectors and As-

-sistant Inspectors in Mysore is higher

than in Madras and requesting me

to reconsider the scale of cost and

submit revised proposals, I have

the honor to state that the sum

of Rs 80-12-0 shown in the list

sl 30 forwarded with my No. 4298 / 189 dated

19th November 1903 does not include

the price of gaiters, boots etc. which

the Madras Inspectors are to provide

themselves

themselves with. The cost of their work-
ing dress ranges from Rs 97-4-0 to Rs.
145, while that of Sub-Inspectors
ranges from Rs 55-2-0 to Rs 72-10-0

38

2. In Madras, the Inspectors
and Assistant Inspectors have to sup-
ply themselves with "full dress"
which costs not less than Rs 182-12-0
in the case of natives and Rs 215/-
in that of Europeans and Eurasians
who have further to buy Mess uni-
form costing Rs 16-6-0.

3. In Mysore, the Inspectors
and Assistant Inspectors are, in con
sideration of their small pay, ex-
cused from providing themselves
with full dress. Even the purchase
of a Serge suit the cost of which
is Rs 30/- is optional. They are at
present required to be provided
with a pair of Kaki suits, one khaki
dress, a pair of woollen Patties,
badges and buttons and a pair
of

case of menials supplied with Unif. free but also in the case of those who had to pay therefor, and he was ~~therefore~~ requested to submit revised proposals.

2) The present letter of the Excise Commissioner which is a reply to the above reference shows that the figures furnished in the Comparative Statement are not quite accurate and that in madras Inspectors & Sub-Inspectors have to spend on their Uniforms not Rs: 80/12/- and Rs. 24/4/- respectively but Rs: 97-4-0 to Rs: 145-0-0, plus Rs: 182-12-0 to Rs: 215-0-0, and Rs. 55-2-0 to Rs: 72-10-0, plus Rs 182-12-0 to Rs: 215-0-0, while in mysore Uniforms cost not only Considerably less than the madras Uniforms but also less than the prices mentioned in the Comparative Statement above refered to.

(full dress Uniform - 117)

3) These figures, it is observed, are not quite reconcileable with those first furnished. A further Enquiry seems however calculated to serve no useful purpose. The

object in view is the placing of future orders for clothing within the State and the reduction to the extent possible of the cost of the same. The Contract with Messers Moses & Co: Madras, has expired and the Excise Commissioner has promised to see if the cost can be reduced. ~~Apart from the comparison, it~~ appears to [illegible] that the present Cost is somewhat excessive and it is hoped that the new arrangement will result in a substantial reduction. ~~being made~~.

4) The further report promised by the Excise Commissioner is awaited.
